**RETS Data Access**

This utilizes a RETS data access approach in distributing your listing data. All available property listing information can be accessed directly from the RETS server. The data contains those fields of information as determined by your board at the time of creation and made available to you for use and inclusion within **you or your firms website(s)** in whatever format you choose to utilize. All photos are also available for retrieval for each listing. A RETS login and password will be provided upon receipt of this agreement. While this agreement provides access to the RETS data, instructions on the implementation of the listing information is not. However, assistance can be located at [www.rets.org](http://www.rets.org).

**\*\*\*Special Authorization\*\*\***

RETS data is authorized to be used solely by the user or firm specified below in a single real estate website owned or operated, by or for the user or firm for the specific purpose of making such data available to the general public. Any other unauthorized use, dissemination or distribution of this data to a third party firm or website is strictly forbidden. MarketLinx Inc. will at their discretion immediately discontinue service and/or seek other legal remedies for any violations of this authorization.

By signing below I specifically agree to abide by the above agreement, and to use said data in the specified manner authorized by the Special Authorization.
